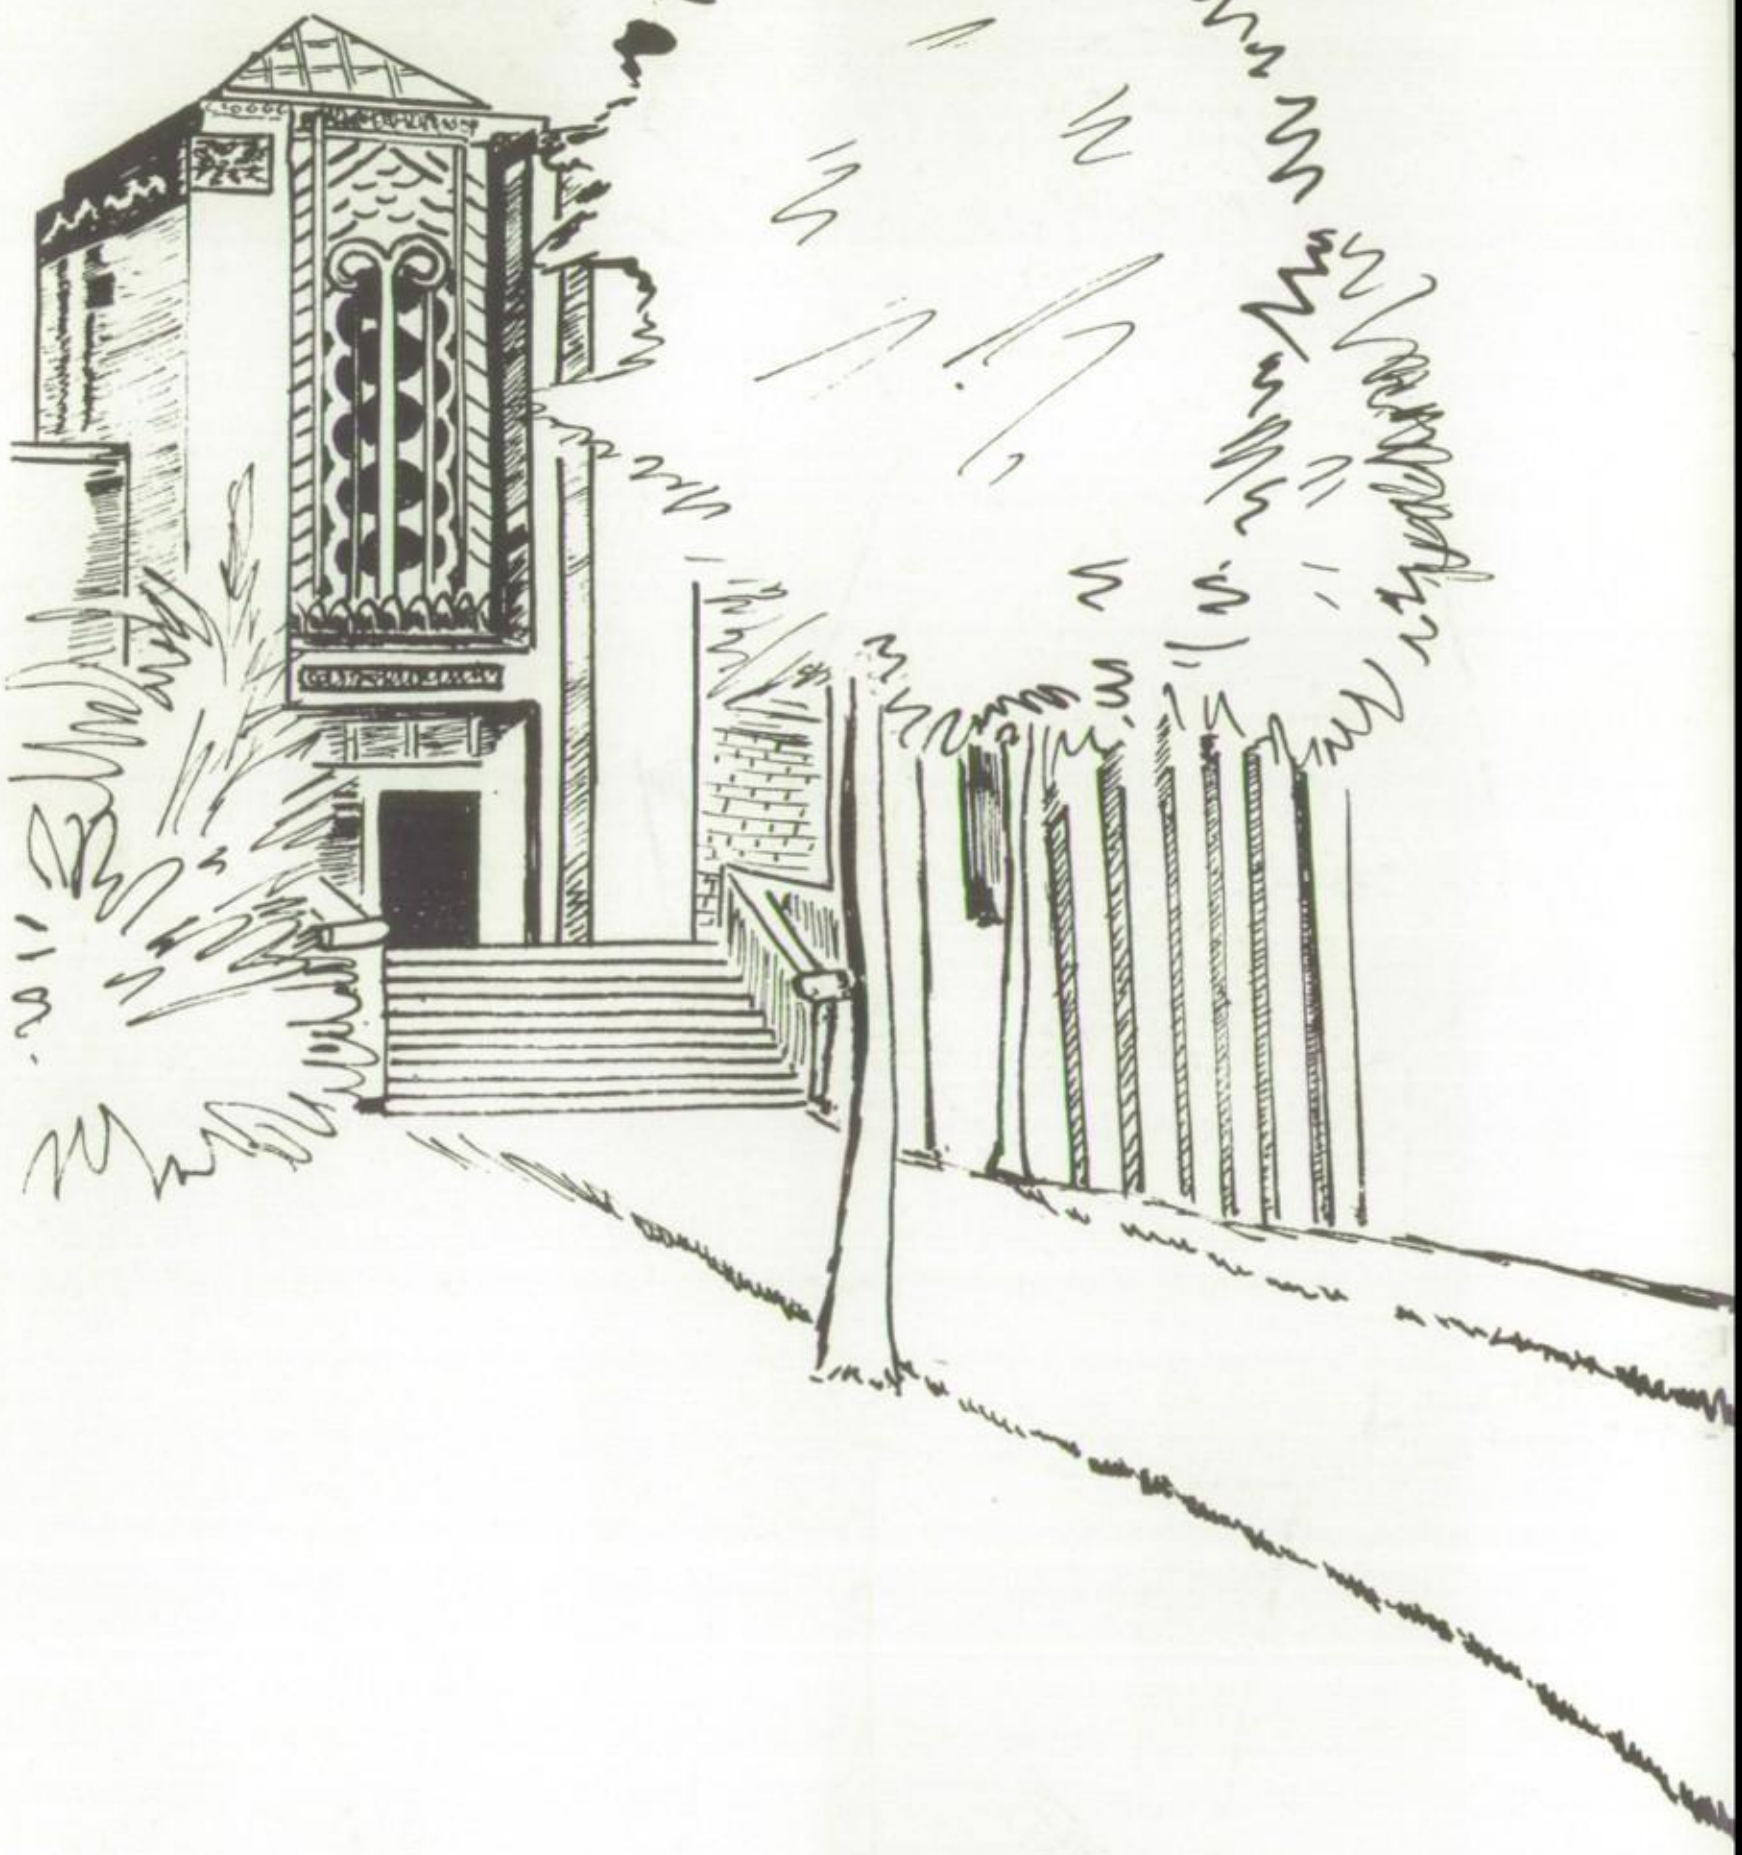
Foreword

As far back as we can remember, music has always been an enjoyable part of our lives. We have listened to it, danced to it, sung it, and played it upon musical instruments.

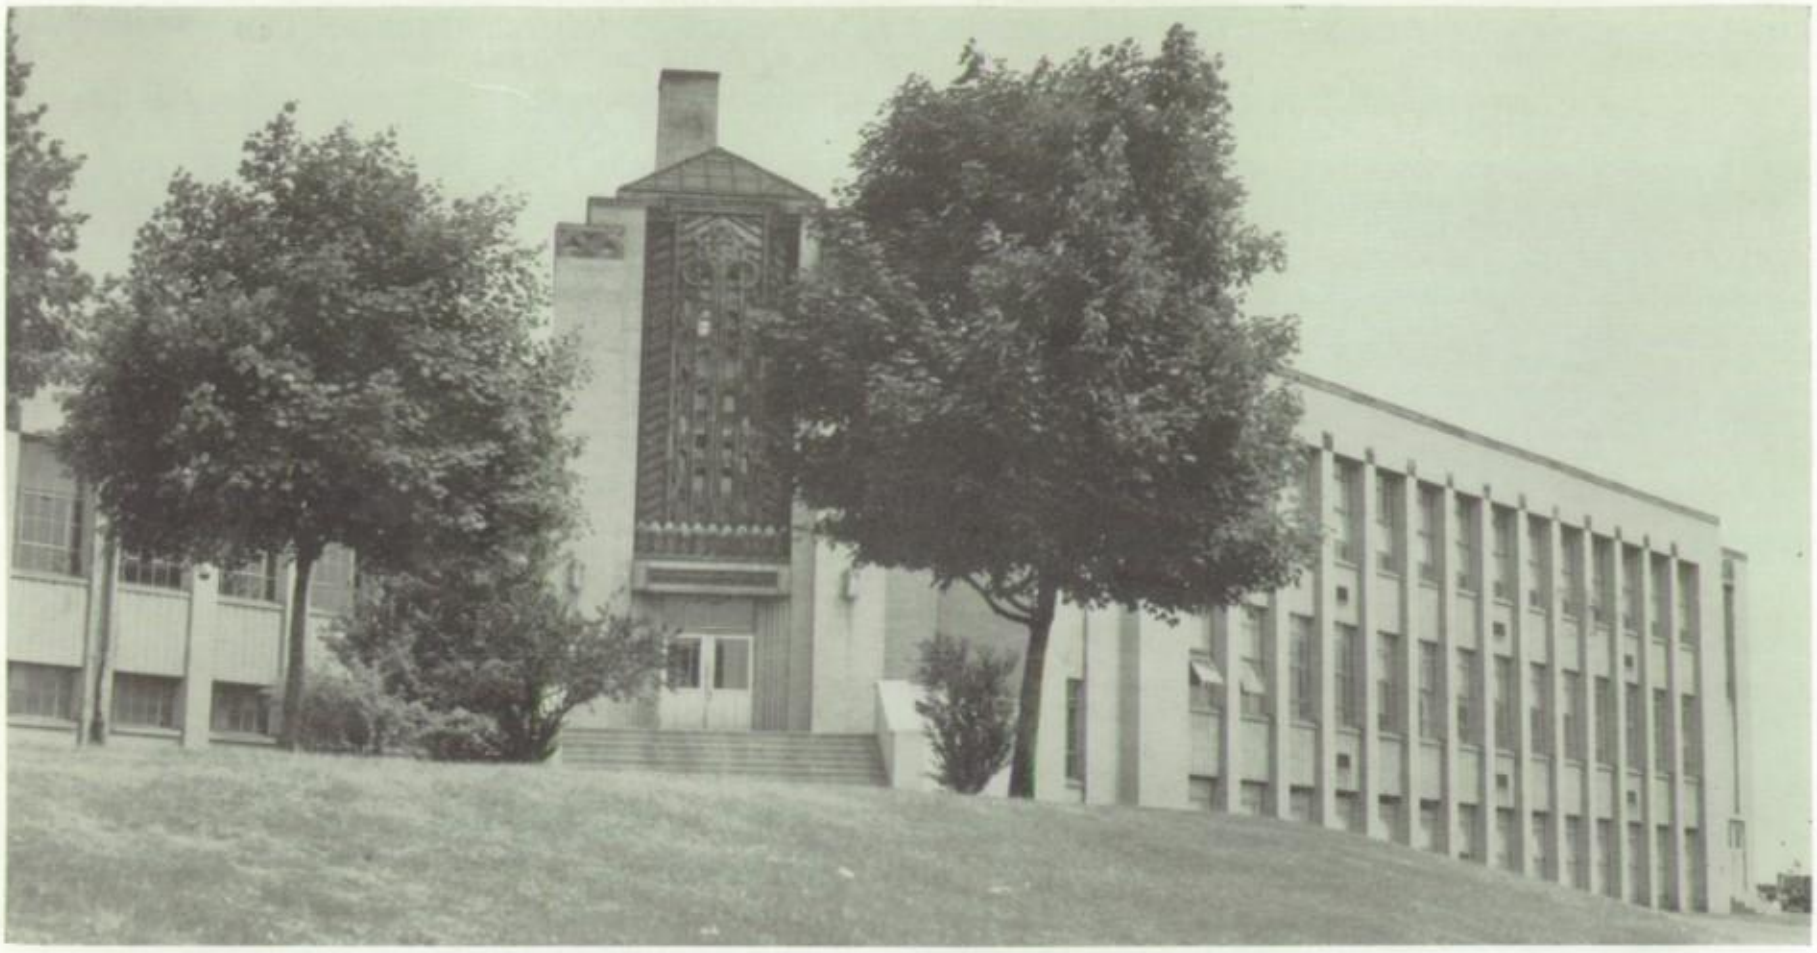
All of life's important events have been marked by a certain type of music. As a baby we were introduced to music by our mother's lullaby; in grade school our simple songs were a major part of our education; and now in high school we are familiar with our Alma Mater, our band music, our pep songs, popular pieces, and finally our graduation march.

In later life, as we look at the songs mentioned in our yearbook, each song will help to bring back a special memory—a big game, a dance, friends. Thus, the purpose of our annual—to bring back memories through music.



SCHOOL DAYS

B.C.



Alma Mater

Where the vale of old Mount Colfax
Meets the western sky,
Proudly stands our Alma Mater
On her hilltop high.

When the evening twilight deepens,
And the shadows fall,
Lingers long the golden sunbeam
On the western wall.

Chorus

Flag we love, orange and black,
Float for aye;
Old Springdale, o'er thee;
May thy sons be leal and loyal to thy memory.

Mr. William C. Sinclair

Dedication

To Mr. William C. Sinclair, one of Springdale High's finest teachers, the staff of the 1959 Electra is proud to dedicate this edition of our annual.

Mr. Sinclair and his wife and two daughters, Barbara Lee and Pamela, live in New Kensington. At home Mr. Sinclair is an avid camera fan, and has often assisted the school during sports events by taking motion pictures. He also enjoys reading, and is an excellent chess player. By sponsoring S. H. S.'s chess club, he helps others learn to play chess and also gets a chance to play some himself.

After graduating from high school, Mr. Sinclair attended the University of Pittsburgh. Here he received his Bachelor of Science and later his Master of Education degrees. The courses Mr. Sinclair teaches, chemistry and physics, are constantly changing and new discoveries have been made in them. Some teachers are content to rely on past knowledge and ignore these new developments. Not so with Mr. Sinclair. Because he wished to be able to teach his students the most accurate information he applied for and received a scholarship from the National Science Foundation. On this scholarship he spent a summer studying at Arizona State University which is located at Flagstaff, Arizona. While here he studied with other men from all over the United States, Alaska, and Puerto Rico. These men elected Mr. Sinclair the president of the National Science Foundation for the year he was there. This meant he represented them with the faculty members.

Also on the scholarship, he spent a summer studying at the American University located at Washington, D. C. This summer Mr. Sinclair plans to attend Cornell University at Ithaca, New York. A scholarship from the Shell Oil Company will make this possible.

All this training has made Mr. Sinclair an excellent teacher. His subjects are two of the most difficult ones, but his understanding enables him to explain them simply and interestingly. Any of his students when asked if they enjoy his class say it is one of their favorites.

Mr. Sinclair's main hobby is school. He is the sponsor of the National Honor Society, the Chess Club, the financial sponsor of the Electra, and the athletic director. Being athletic director takes up most of his time during the sports seasons, but he still finds time for his many other jobs. As financial sponsor of the Electra he handles all the funds. Without his assistance this yearbook would not have been possible.

We of Springdale High look upon Mr. Sinclair not only as a great teacher, but also as a warm and wonderful friend.

Farewell . . .

This year we of Springdale High School must say farewell to one of the most beloved teachers in our school. Since Miss Svedberg plans to reside in Cincinnati, Ohio, after her wedding on April 18, she finds it impossible to continue teaching at Springdale.

As choral director, Miss Svedberg worked ceaselessly to improve our singing techniques. Ever since 1954, when she first came to S. H. S., there has been an overwhelming and enthusiastic response of the students to add choir to their curriculum. This eagerness for song was also displayed at the junior high school, where both Miss Svedberg and the students gave up a large portion of their lunch period for choir practice.

In addition to the regular choral groups, Miss Svedberg's untiring efforts were also devoted to a number of variety and ensemble groups, such as the senior, junior, and sophomore girls' ensembles, the boys' octet, and the boys' quintet. Early in the morning, after school, or late in the evening one could always hear these groups and Miss Svedberg practicing for some special event or just for enjoyment.

Music has always been the number one aspect in Miss Svedberg's life. While attending McKeesport High School, she was a flutist in the band for three years. As a result, in her senior year, Miss Svedberg was the recipient of a scholarship from the McKeesport Music Club.

As a student at Carnegie Tech, she was a member of the chorus and an accompanist for various choral groups.

We wish to extend to Miss Svedberg our sincere appreciation for all she has done for us, and also our congratulations and many wishes for happiness in her future life as Mrs. Harlis E. Johnson.

At each of the monthly meetings the boards solve various problems such as: finance, maintenance, transportation, athletics, supplies, and teaching positions.

This year the members of the school board have been very active in promoting the betterment of our schools. They have competently accepted the problems that arose with the building of the high school and solved them with diplomacy and understanding. We of the senior class wish to extend our sincere appreciation to each and every member who has done much to encourage sportsmanshsip and good character in the students of Springdale High School.

To The Seniors:

Recent developments in the fields of science have presented great possibilities for material progress. However, unless each of you has gained in knowledge, understanding, tolerance, and wisdom, progress in social and human relationships will be inadequate to meet the problems challenging our era.

Your graduation calls for an increased assumption of responsibility and a continuation of your education. Your high school wishes for you the fortitude to meet the challenge.

In Memory

of a

Classmate Who Has Departed

The circle is broken, one seat is forsaken,
One bud from the tree of our friendship is shaken;
One heart from among us no longer shall thrill
With joy in our gladness, or grief in our ill.

As a cloud of the sunset, slow melting in heaven,
As a star that is lost when the daylight is given,
As a glad dream of slumber, which waken in bliss,
He hath passed to the world of the holy from this.

(—A Lament - Whittier)

Seniors

Senior Class of 1959

"Boy, I wish I were a senior." It seems like only yesterday we were freshmen wishing for the coveted position of upperclassmen. Now at last we've arrived, but we've been too busy to realize it.

Each nine weeks we were confronted with writing a theme and doing English extra-credit work. In addition to this, there were the selling of Christmas cards and a monthly obligation to meet to enable us entrance to the banquet and to receive an Electra. But, of course, it hasn't been all work.

The tempo of parties, banquets, dances, class plays, and games reached a staggering pace. The senior class play, "The Boarding House Reach," was a huge success.

The two highlights of our senior year were the Junior-Senior Prom and our trip to Washington, D. C. They are occasions we will never forget.

Finally, amid laughter and tears came the momentous occasion—Graduation Day. The end of our high school days, but yet the beginning of a new movement in the symphony of life.

Class Song

"Moments To Remember"

The walks to school, the crowded halls—
the football games, detention halls.
We will have these moments to remember.

The fashion fads, and our last prom—
the way we cheered our great teams on.
We will have these moments to remember.

We waited and we waited for the new school to appear,
we finally moved into it, the first class to be here.

When other nights and other days, may find us gone our separate ways,
We will have these moments to remember.

The voices raised for Springdale High,
the boys and girls who were so shy.
We will have these moments to remember.

The cares we lost, the joys we found,
when class reunion rolls around.
We will have these moments to remember.

Though summer turns to winter, and the present disappears—
the songs we sang at Springdale High,
Will echo through the years.

So if we're near or if we're not,
lest old acquaintance be forgot.
We will have these moments to remember.

Class Poem

"Memories"

The graduation of our class
Seemed so far away.
We used to think we couldn't wait
Until we reached that day.

But now we find the memories
Of things we used to do,
Have suddenly grown dear to us,
And dear to others, too.

We like to think of all our friends
And of our teachers, too;
Remember classes, homework, themes,
And work we had to do.

But also think of all the fun,
And good times that we've had.
Our party, banquet, prom and such
Made leaving school so sad.

Although we'll leave these times behind
And go our separate ways;
The memories of our high school years
Stay with us all our days.

Junior Class

The class of 1960 began its junior year amidst the banging and confusion of finishing the new addition to our school.

Throughout the entire year various fund-raising projects were held for the Junior-Senior Prom. Among these were a peanut brittle sale and Halloween party in October, and the annual Junior Class Play in the spring. Under the expert guidance of the class sponsors, Miss Sober and Mr. DeVenzio, the Prom, held at Brackenridge Country Club on May 22, proved to be the most memorable occasion of the year.

Christine Conley and Jinny Klinzing, the co-editors, had a nose for news and were able to get to the bottom of any story in short order. The members of the staff followed the example of their editors and received their awards at the annual banquet, held in the high school cafeteria this year.

Big Brothers And Sisters

A newly organized group, modeled after those found in some colleges, was the Big Brothers and Sisters, which was composed entirely of seniors. It was the job of these young men and women to help the new sophomores with any of the problems that they encountered in the strange atmosphere of high school. At the beginning of the year name tags were distributed to the sophomores by this group to enable them to become better acquainted with the upper classmen.

Our home basketball games were greatly improved by the efforts of this club, whose members acted as ushers, sold programs, and conducted a coat check. Dances after the game were also sponsored by the organization. The Varsity Club was a great success this year and we are sure that it is here to stay.

The purpose of the Hi-Y is to carry on the work of the Y. M. C. A. through the home, the school, and the community. The club carried out many projects to help make this a successful year, one of these being the annual Kiddy Show. As usual, several teams made up of Hi-Y members participated in the basketball tournament at the Tarentum Y. M. C. A.

Senior Tri-Hi-Y

Under the direction of its capable sponsor, Mrs. Baker, the girls of the Senior Tri-Hi-Y held meetings once a month and tried their best to fill the school program with new and interesting activities.

The annual Harvest Moon dance was the biggest project confronting the girls this year. After many hours of hard work, the Tri-Hi-Y was to be congratulated on its huge success. Other projects of the year were the making of Easter baskets for the children at the Orphan's Home, and also participation in "Teen-Time" panels.

Junior Tri-Hi-Y

The Junior Tri-Hi-Y, under the efficient leadership of the president, M. Brandenstein, and assisted by Miss Staley, had a very successful year. Not only did the members sponsor the annual girl-ask-boy dance, the Cupid's Caper in February, but they also brightened up the Christmas season by going caroling and contributed much to the general welfare of the school.

Future Teachers Of America

The Future Teachers of America provides first hand information to its members on the problems of school teaching. It accomplishes this by giving the students the chance to actually become a substitute teacher. Through its sponsor, Mrs. Hendrickson, it acquired speakers from several colleges, who tried to bring our future teachers to a better understanding of the advantages and disadvantages of the teaching profession.

Junior Class Play

BELLES ON THEIR TOES is the rollicking comedy about the adventures of the Gilbreth children while their widowed mother is in Europe carrying on their father's work and theory of motion study. Since Mr. Gilbreth was an efficiency expert, the twelve children are well organized under Ann, Ern, and Martha, who really have to be "on their toes." Of course, there's Tom the handyman, acting as "little mother." Other than a houseful of measles and a root beer explosion, things are going along fine, until busy-body Cousin Leora decides to make a visit. This results in complete mayhem, but happily, everything turns out fine and Leora receives her just punishment.

May Day - 1958

May Day is always a day full of excitement and glamour. To see the girls looking radiantly beautiful in pastel gowns and the boys looking elegantly handsome is a sight never to be forgotten.

This year, Miss Nitsche, although not fully able to have a very elaborate program, did her best to make May Day a long remembered occasion. The strains of "Pomp and Circumstance" set the mood for the royal procession. Entertainment was provided by a group of girls doing the traditional Maypole dance.

Successful performances were given at both the Christmas program and the Spring Festival. The outstanding program of the year in which the choir participated was the annual Allegheny Valley Choral Festival, held at Har-Brack High School.

Senior Ensemble

This group of girls known as the Senior Ensemble is in reality not only composed of seniors, but is a mixed selection of both junior and senior girls who are interested in music. Come 7:30 A.M. you can see them sleepily trudging to practice. Working together to perfect music for listening enjoyment as well as personal satisfaction is one of the ensemble's accomplishments.

The male counterpart to the Senior Ensemble was the Boys' Octet. These boys gave up their study halls twice a week to improve and enlarge their musical repetoire. At the Christmas program and Spring Festival, a powerful sound was achieved by using four part harmony.

Girls' Choir

The Girls' Choir, a firmly established choral group at Springdale High School, meets the first period each morning.

The girls' long hours of practice enabled them to put on a fine show at the Christmas program and the Spring Festival. A delightful array of melodies can always be guaranteed when they perform.

Junior Ensemble

The Junior Ensemble was added to the musical program of Springdale High School this year. Under the expert direction of Miss Svedberg, these girls developed their musical talents greatly.

Our school can certainly be proud of these girls and of Miss Svedberg's efforts to perfect this newly organized choral group.

Boys' Quintet

Along with our new school also came many new singing groups. One of these was the Boys' Quintet. These five boys worked hard in preparation for their performance with the mixed choir.

While still attending the junior high school, these sophomore girls got together on their own time mainly as a practice group. Since then, they have improved greatly under the supervision of our choir director, Miss Svedberg.

Although the Sophomore Ensemble did not participate in a great many of the choral activities, they did take part in our annual Spring Festival held in March.

Sophomore Girls' Choir

There is no tie like the one that binds the sophomores. In choir their willingness and close co-operation with Miss Svedberg and among themselves has been especially apparent. This may enable the Sophomore Choir to soon become a steadfast tradition at Springdale High. The girls did an excellent job for both the Christmas program and the Spring Festival.

Band

Our band has brought much fame to our high school this year. The many hours the members spent practicing after school under the able direction of Mr. Tepper, our new band director, were justified when they heard the praise of their performances after each football game.

The close of marching season brought concert season into view. The band then spent many hours practicing for their spring concert and the annual band contest, held at Park Terrace Junior High School this year.

The band members will never forget the many highlights of the year, the most important being band camp at Blue Knob State Park.

The Pep Band completed another successful musical year. A subsidiary of our high school band, it is composed of members carefully selected by Mr. Tepper. The Pep Band practiced hard, as was evidenced by their lively performances at all of the pep meetings and home basketball games.

Color Guards

Immaculate white gloves and military looking uniforms were the trademarks of our color guards. Headed by Gerry Susa, these nine girls always made a neat appearance when leading the band. They could be seen at each of the football and basketball games proudly carrying the school colors.

Majorettes

Our majorettes, headed by Cindy Lucas, were one of the best performing groups of our school.

Practice was routine with them. Long after the other students had gone home, you could still find the girls trying to perfect the new and versatile routines found in their performances at the football and basketball games.

Our twirlers displayed rhythmic precision as they headed the band in the Memorial Day, Miners' Day, and Fourth of July Parades.

FOOTBALL COACHES

l. to r.—Mr. Takach, Mr. Lenosky, Mr. Mariotti, Mr. Hazlett, Mr. McGhee

From the beginning of practice in the hot summer heat of August, until the very last game in the cold winter of November, our football team did its best to win. If ever a group of boys deserved an "A" in both effort and enthusiasm, it was surely our Dynamos of this season. Mr. Hazlett and his assistants, Mr. McGhee and Mr. Mariotti, plus the 100% support of the student body helped the team to a 4-5-1 season record. We're all proud of our S.H.S. squad and we are eagerly looking forward to next year's team, which promises to be the greatest yet.

Again this year, Springdale's basketball team, winner of last year's Section 12-A crown, was a championship contender right down to the wire. The varsity and their guiding hand, Coach DeVenzio, set a fast pace all season long, giving the Dynamo fans many thrills to cheer about. Unfortunately, the Dynamos failed to retain the 12-A championship, but they were in every game until the end and made the student body proud to be from Springdale.

With only three seniors graduating, the outlook for next year looks bright. The remaining players look eagerly toward next season, and possibly another section championship.

Good luck in the coming season!

Although they were sometimes overshadowed by the varsity, the members of the junior varsity also deserve the honors and glory which are given to their "big brothers." The J. V.'s and their headman, Mr. Turley, also had a very successful season, winning and losing. Every game was marked by spirit and good, clean play. Most of the J. V.'s are looking forward to next year when they will step up to the varsity to fill the shoes of the graduating players.

Baseball

Our baseball team, because of inexperience, won only three games this season, but had the advantage of being under the skillful guidance of Coach DeVenzio, who would provide an advantage for any team. No matter when the boys encountered some bad luck, they always came back with their great spirit and made us of S. H. S. proud of them and the tremendous effort which was put forth.

With the skill gained this year, we are all looking forward to a better season next year.

At the end of the season they were tied with Arnold for championship, necessitating a play-off. The play-off game ended in a 1-1 tie, and our team received the title of co-champion.

Everyone at S. H. S. was proud of the soccer team and hopes that our first championship will be seen very soon.

Volleyball

Although we do not have an active varsity team, volleyball is high on the list of S. H. S. favorites. Every year many teams are formed to play in the Intramural League, which enjoys much prosperity here at Springdale.

Someday we hope to have a varsity team though, and we're sure if we do, that it will bring honor and glory to our Alma Mater.

Intramural Athletics

One of the most exciting activities this year was intramural athletics. It was sponsored by Mr. Hazlett and Mr. Heimbeucher, and games such as volleyball, basketball, broom hockey, and wiffle ball were played after school. T-shirts were awarded the champions in each sport in which there were two leagues competing for the prize. There were many participants and competition was great.

Due to the co-operation of each girl, it was a good year for the junior high majorettes.

Football

Coached by Mr. Lenosky and Mr. Takach, the junior high football team was marked by much spirit and a great desire to win. The team was small, but mighty. The big asset to the team this year was the speedy break-away running of Micky Liberati.

The season began with a fine showing against East Deer, with Springdale winning 39 to 13. The season was finished by battling to a 14-14 tie with West Deer. All in all, it was a good year with a final record of 2 wins, 3 losses, and 2 ties.

Basketball

The Springdale Junior High School Basketball Team began defense of its Section 12 Junior WPIAL Title with a young and inexperienced team. Although it ended the season with 4 wins and 14 losses the team showed signs of improving as the season progressed. The improvement of the team showed well in the Butler YMCA Junior Basketball Tournament as the Junior Dynamos won the consolation trophy for the third consecutive year defeating Butler and Oil City while being defeated by Ford City, the tourney champs. Michael Liberati was selected to the Tournament All Star Team while George Petruny, the team captain, was selected as the most valuable player of the team for the '58-'59 season.

A happy ending for a long, tough season.

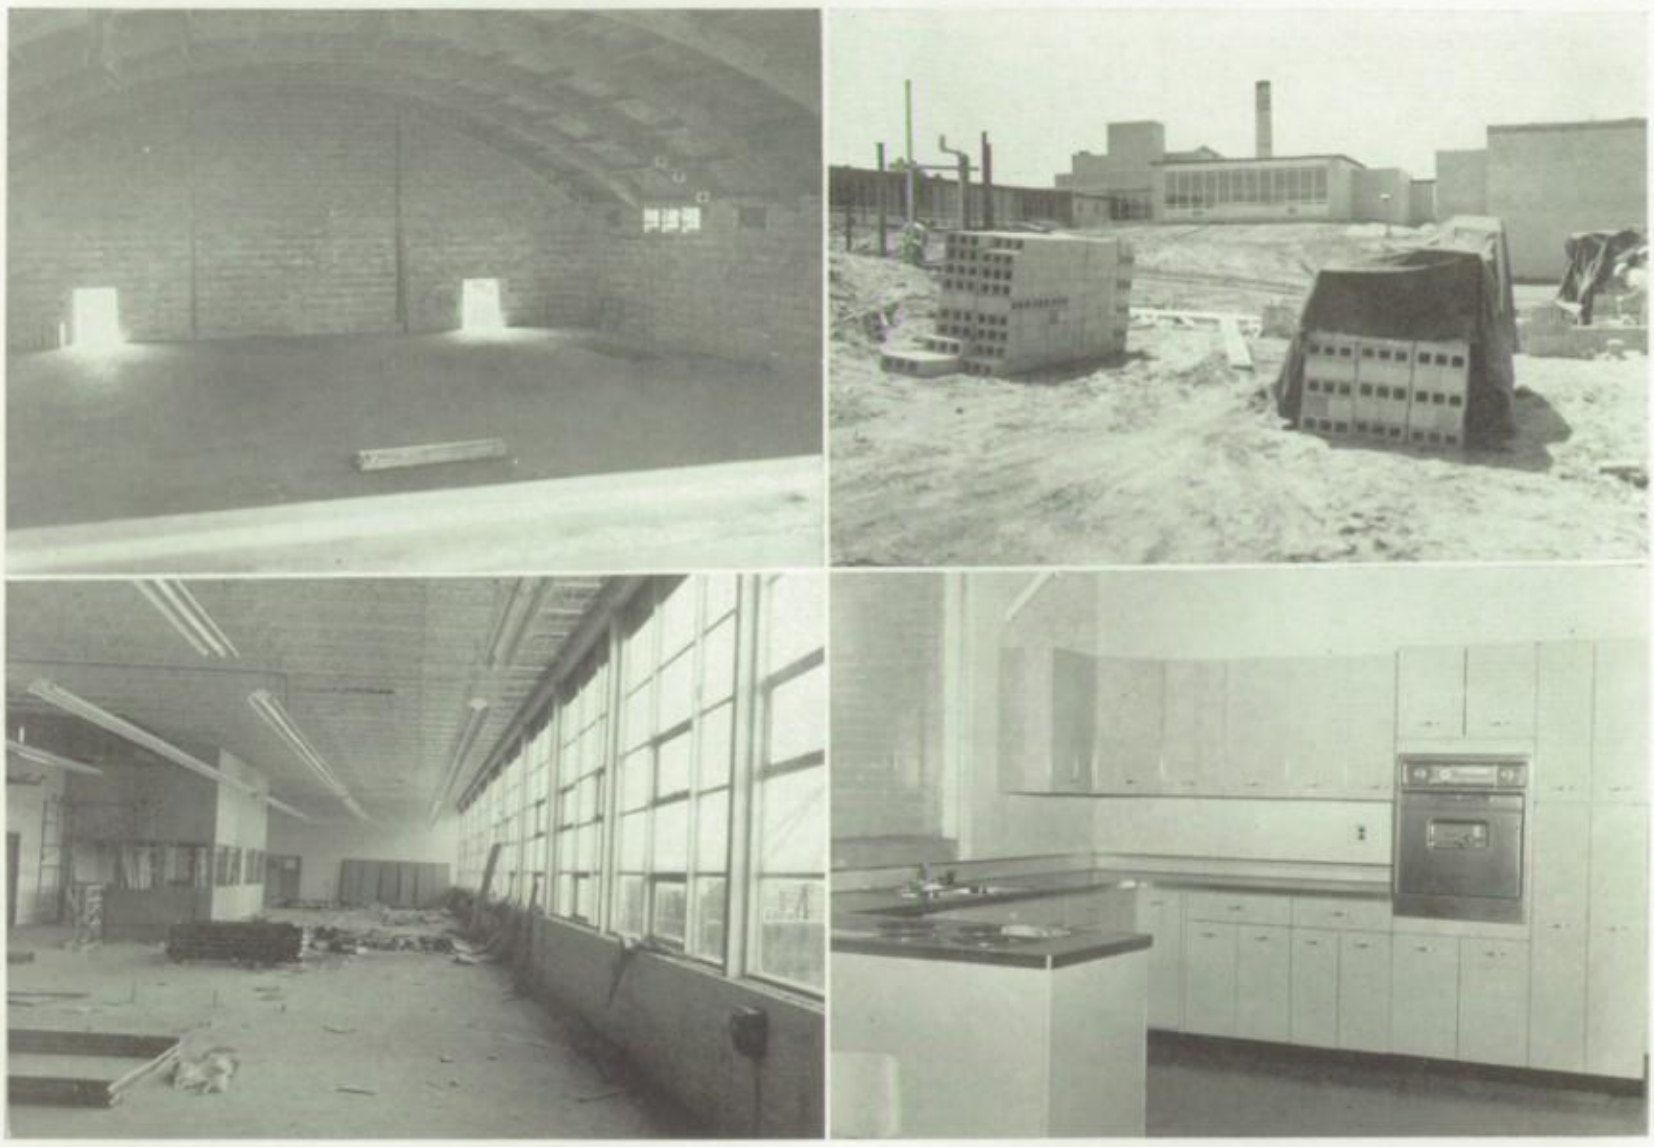
This year the 1959 Electra is proud to include in its pages the junior high school. With the new addition to the senior high, we welcome the junior high students into the doors of our new building, which from now on will be called the Springdale Junior-Senior High School. We hope that this move will be a benefit to everyone.

A Dream Come True



Top Row—The beginnings of our tremendous gymnasium. Our new school was finally taking shape, but there were many things yet to be done, as is pointed out by the materials in the foreground.

Bottom Row—The first stages of our well-equipped shop. A finished product—the Home Ec department.

The pictures above are the beginning to what is now a reality. For months the topic in any discussion was the new high school—when it would be completed, and what it would be like. This year the new school has become a definite part of our lives, and now we find ourselves appreciating its conveniences more and more each day. We realize now that the pleasant classrooms, the gymnasium, the cafeteria, the library, and all the other new departments have helped us to become better citizens, both physically and mentally. For giving us this great opportunity, we would like to express our gratitude to everyone that was responsible for helping "a dream come true."

In Gratitude . . .

The editors of the **1959 ELECTRA** would like to publicly thank Mr. Charles E. Williams for the help and co-operation received from him. Without his invaluable assistance the yearbook could not have been made possible. For many years, Mr. Williams has been the faculty advisor for the ELECTRA. Under his fine supervision it has grown from a small annual to a fine book all can be proud of. Many people do not fully appreciate the role Mr. Williams plays in the production of our yearbook. He is the one who finally says the work can be sent to the printer and the person who approves all copy. Mr. Williams has spent many nights working in his home to insure the students of Springdale High School an excellent yearbook. Again we would like to say "**THANK YOU**" to Mr. Williams on behalf of the **1959 ELECTRA** staff and the students of Springdale High for the wonderful job he has done.

Senior Farewell

As we approach graduation we experience mixed feelings of sadness and joy, of hope and fear, and of regret and satisfaction. We are sad because we are leaving behind many friends and places we have known and loved. We are joyful, for we have attained a goal we have been working toward for twelve years. Each of us hopes he will be a success in the future in his own way, but is filled with fear when he thinks of the new way of life that lies ahead. We regret many things we have left undone that will now never be finished, and at the same time we feel a sense of satisfaction as we view our accomplishments.

We are now standing before a closed door which leads to an entirely new way of life. Graduation is the key that will open that door and set before us opportunities and experiences never before known. We must make the decision as to which way we will go.

Graduation is the milestone which marks the beginning of a new way of life. For some this means first furthering their education and then taking their respective place in the world. For others it means military service or a job, but for all it means new experiences and new horizons.

Soon our separate paths will take us to all parts of the world. Some of us will go overseas while others will remain in Springdale, but no matter how far the distance between us may be, we all have a common bond that can never be broken. A part of us will remain at our Alma Mater the rest of our lives. Although to others we may be just more alumni, we will always cherish our memories of the class of 1959 and of the dreams and plans we had.

And now may God go with us as we go our separate ways.

Our Gratitude

Without the close co-operation we received from each and every person connected with the **1959 ELECTRA,** this edition of the annual would not have been possible. We would first like to thank Mr. Sinclair and Mr. Williams, our sponsors, and also the junior editors, Nancy Breth, Sally Montgomery, and Carol Murray, who were willing to extend their help at all times. Special thanks goes to both the junior and senior high faculties for the guidance and understanding they have given us throughout the year. We would like to express our appreciation to our committees, especially to Lois Martin and Mary Ellen Valla, our literary chairmen, and Bob Cincala, our art chairman. Without their extra effort this yearbook would not have had the fine write-ups and artwork it has. Our deepest gratitude is extended to Colao Studios for their fine photographic work, to the Canton Engraving Co., for the efficient job done with our picture engravings, to S. K. Smith, whose wonderful workmanship is reflected in our cover, and to Kurtz Bros. for the outstanding printing in our **ELECTRA.** Two editors could never have completed this yearbook alone. Again we would like to say "**THANK YOU**" for the marvelous help and co-operation we have received.
